VENDOR MANUAL

This manual is designed to mimic the layout of the tablet being used at each of the official bLOCKcoin Vendors.

To follow along, simply click on the actual tablet wherever you see a red ellipse in the manual.

Instructions appear as red texts inside of red text boxes.

GOOD LUCK!

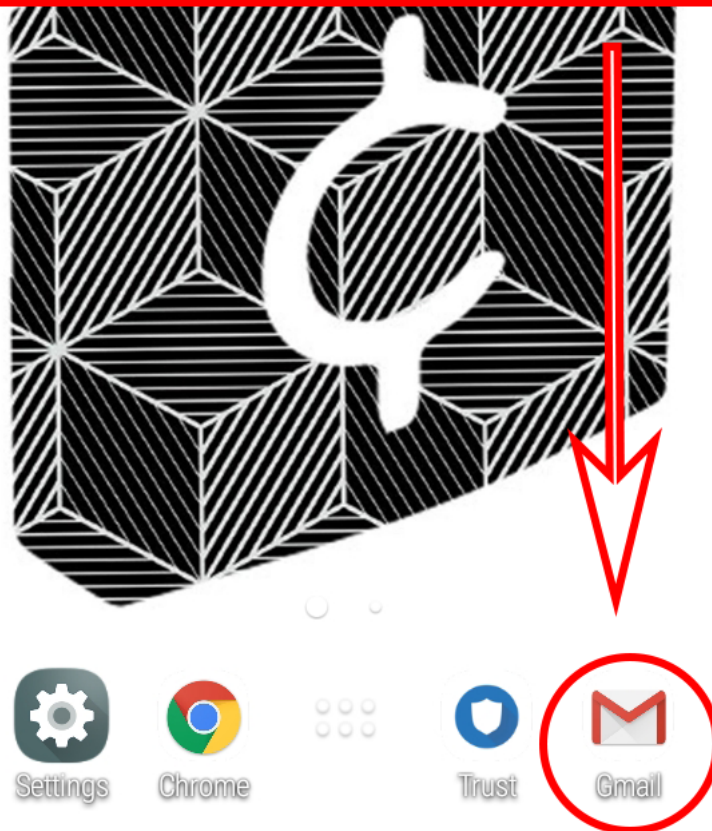

bLOCKcoin

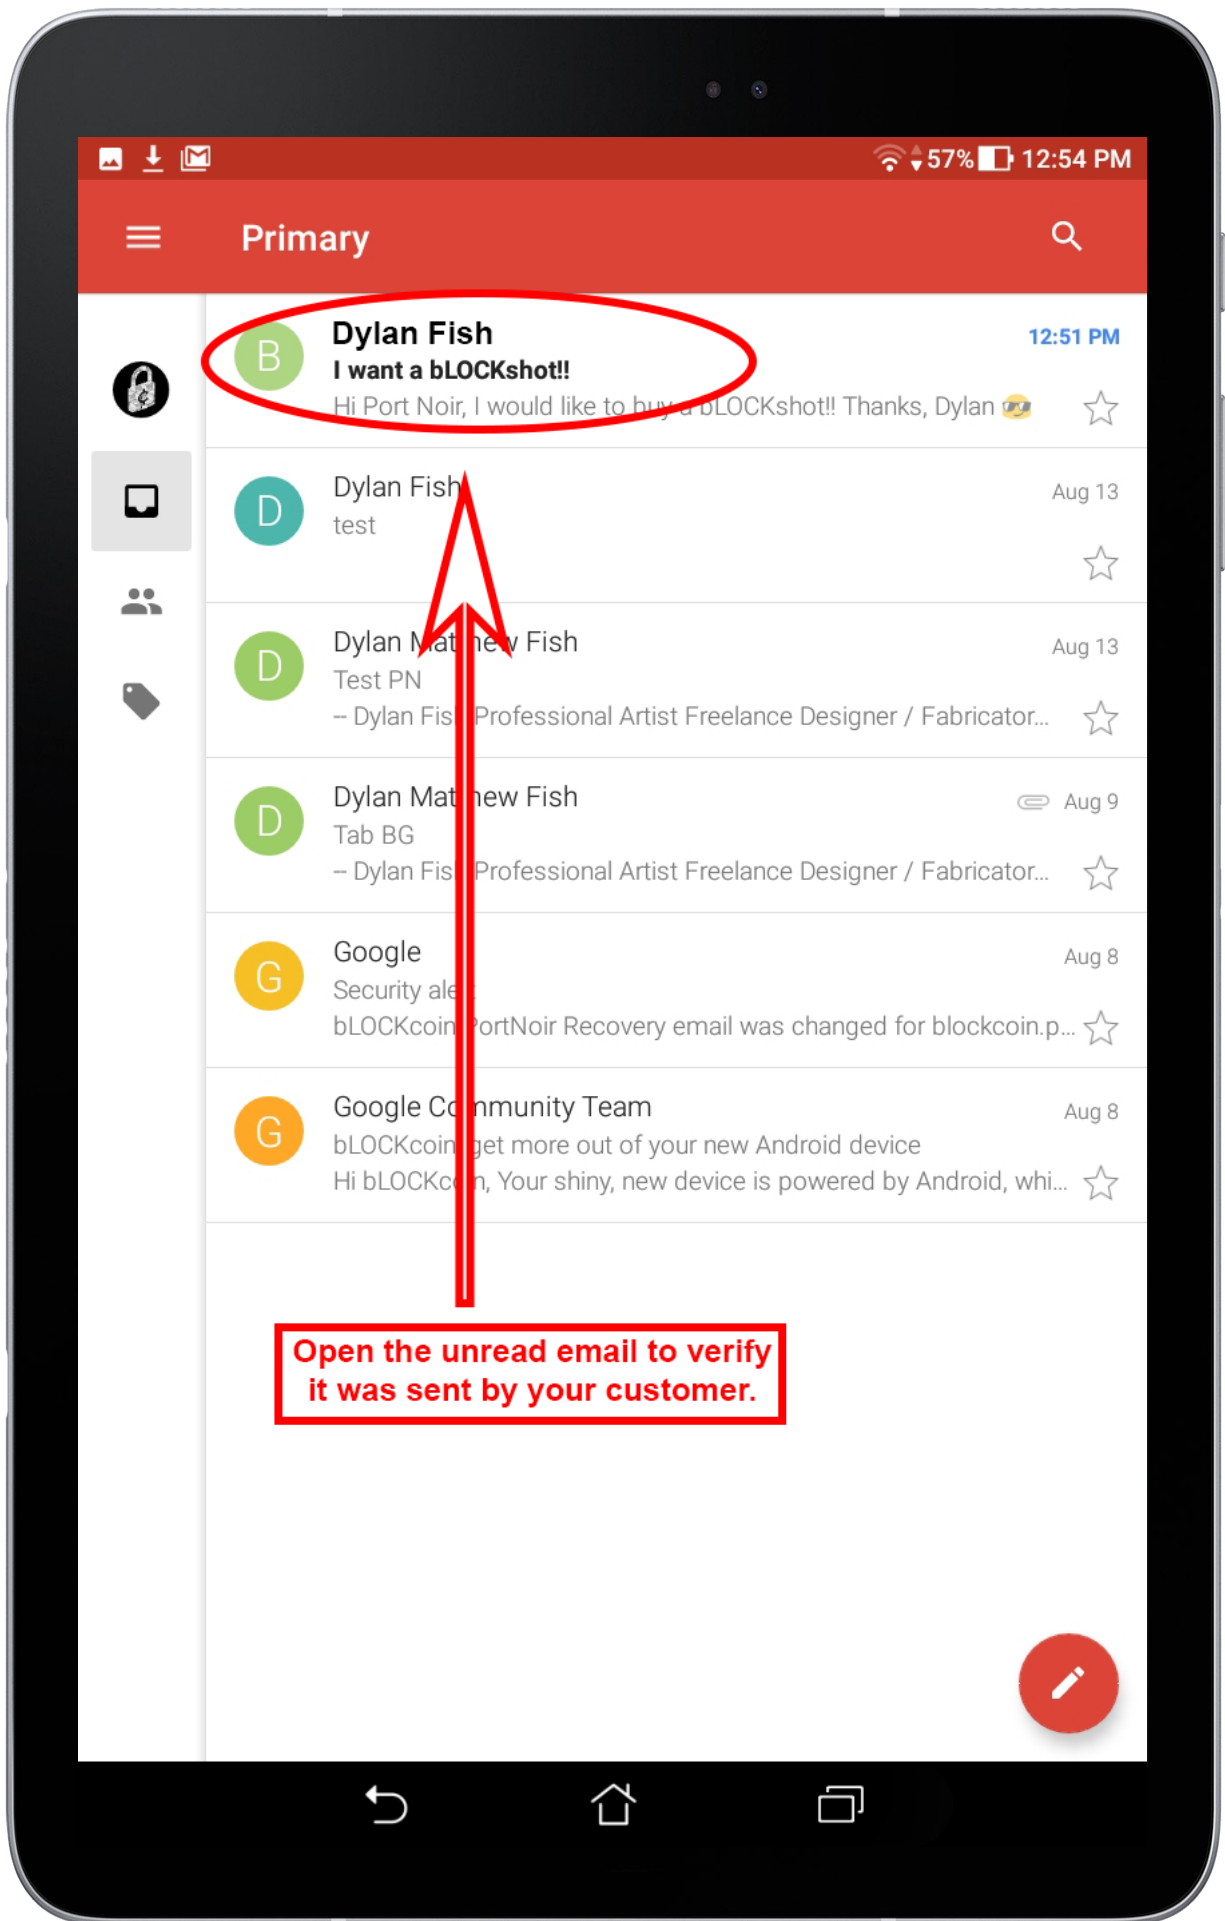

bLOCK Shot cost:
1.5061 bLC

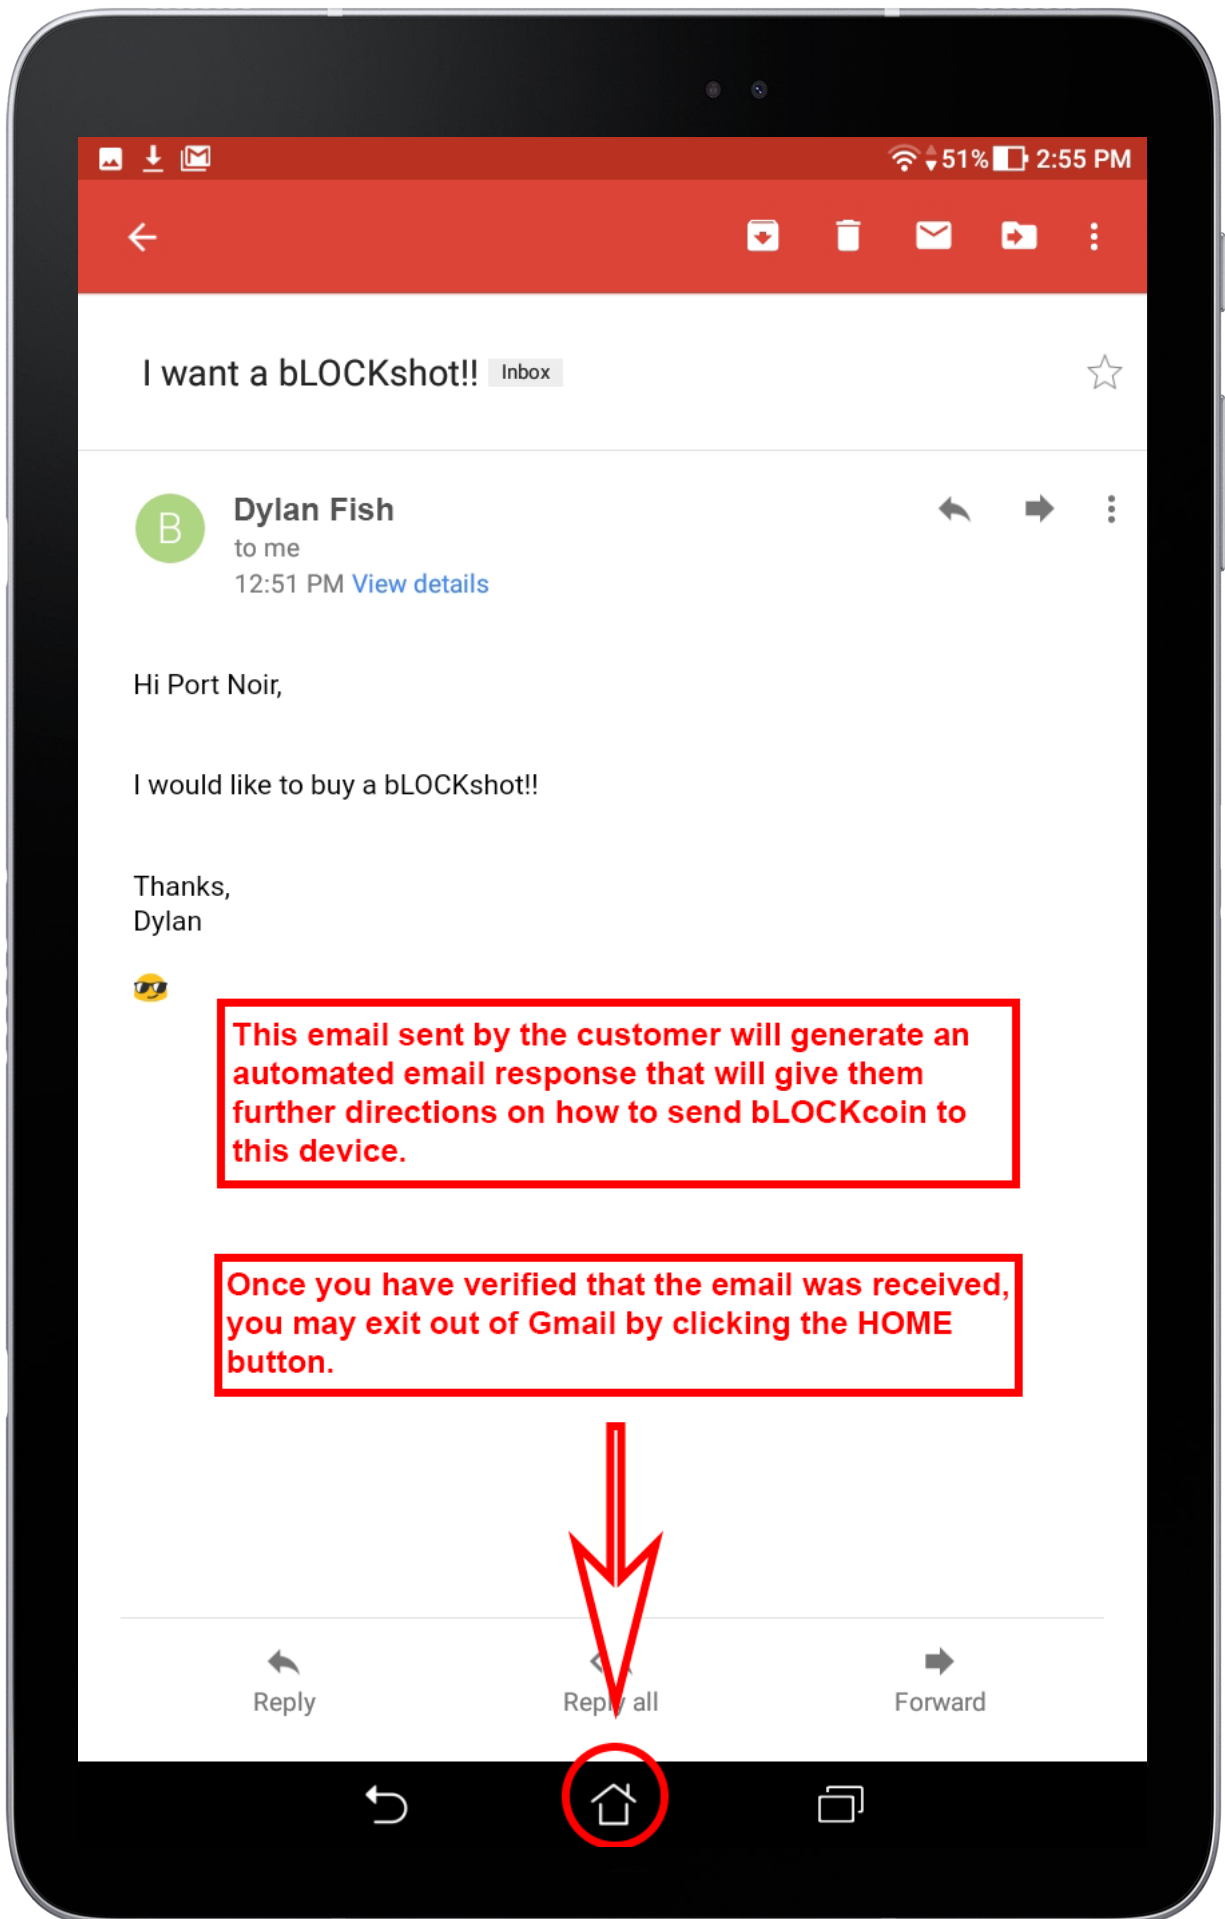

When a visitor comes in to buy a bLOCKcoin collectible they will initiate the process by sending an email to an account associated with this tablet.

The information on this procedure can be found in the bLOCKcoin_How2BuyCollectibles_UserManual

Verify that the visitor has in fact sent an email to this device.

bLOCK Shot cost:
1.5061 bLC

This is the amount of bLOCKcoin a customer must send you to receive their collectible item.
